Dan is a partner with the Pinnacle Rehabilitation Network and serves as Vice President for the network, assisting current partners and clinics with all aspects of business development from start up to ongoing strategic planning.

Dan also provides practice management, development, clinical and compliance support to PRN's consultation and management contract partners. Dan promotes Pinnacle's ability to be innovative and collaborative with other delivery systems in a changing healthcare environment.

Dan believes in outcomes driven evidence based physical therapy and holds lifelong learning in high regard. Dan received his Doctorate in Physical Therapy from Franklin Pierce University, and is a Board Certified Orthopedic Clinical Specialist awarded through the American Board of Physical Therapy Specialists.

Dan is certified in Dry Needling through the American Academy of Manipulative Therapy, Dry Needling Institute. Dan is also a Fellow in Training with the American Academy of Manipulative Therapy as a member of the 2015 cohort. Dan is also currently pursuing a Diploma in Osteopracitic through the American Academy of Manipulative Therapy with an anticipated completion of both programs in 2015. Dan is a long time member of the American Physical Therapy Association and contributes to the Private Practice Section. Dan has also served as an editorial board member of the APTA's Private Practice Section IMPACT publication, and as Chairman of the Board at a local college.

“Dan also provides practice management, development, clinical and compliance support to PRN's consultation and management contract partners.”
